**Canadian Dental Regulatory Authorities Federation - New Executive Director**

The CDRAF Board is pleased to announce the engagement of Dr. Jack Gerrow as its new Executive Director, effective January 15, 2018.

Dr. Gerrow succeeds Dr. Diane Legault, who served as Executive Director from January 2016 until December 2017.

Many of you are familiar with Dr. Gerrow in his capacity of Executive Director and Registrar of the National Dental Examining Board of Canada from 1994 until his retirement in December 2017.

Dr. Gerrow also brings a wealth of professional experience as a prosthodontist, and as a senior academic at Dalhousie University.

Dr. Gerrow's long-term plans include:

1. Ensuring that CDRAF is an effective forum for discussion and sharing of issues.
2. Assisting the Board to identify focused areas for ongoing projects that are agreed upon nationally and determine the resources required to support those projects.
3. Acting as a central contact and voice for "Pan Canadian" government initiatives.

Dr. Gerrow looks forward to continuing a collaborative relationship with stakeholders.
